

THE PARAMOUR

ESTATE

WELCOME

...

The Paramour Estate is a Beaux Arts inspired 1920's era villa comprising five acres of lawns, gardens and forest located on the Moreno Highlands of Silver Lake in Los Angeles, California.

The estate was the original home of oil heiress Daisy Canfield and her husband, dashing star of the silent screen, Antonio Moreno. Lavish movie industry parties, screenings and dinners were held at the estate attended by a Who's Who list of Hollywood royalty.

Today the estate has been meticulously restored to evoke the splendor of its illustrious past and can play host to exquisite events ranging from intimate gatherings to grand cocktail and dance parties to formal seated dinners.
